

Managing your page and configuring your Del.icio.us Bookmarks Gadget

Once you have your i-Google page installed you are able to rearrange the gadgets in the page and minimise them.

To move a gadget, click on the blue title bar in an area without text and left click and hold down with your mouse and then move the mouse and you will see the gadget being dragged.

1. CLICK AND HOLD GOOGLE DOCS GADGET

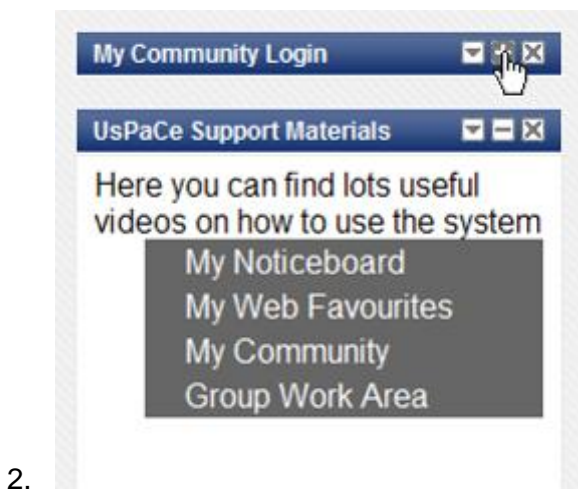

2. MOVE MOUSE AROUND THE PAGE

Minimising Gadgets

If you click the middle button on the top right of a gadget you can minimise it in order to save space. If you click the button again it will restore the gadget to its original state.

Configuring the Del.icio.us Bookmarks Gadget

1. Select the MENU link
2. Select the EDIT Settings Link
3. You will now need to enter you Del.icio.us username and then press save.
